RECEIVED

FCC

2003 AUG 5 9 16 AM '03

Carlsbad Caverns National Park, NM

Michael Copps, Commissioner
Federal Communications Commission
Washington, D.C.

554/0002

Mr. Capps 02-277 7 3003

We wholeheartedly support your
resistance to the relaxation of
limits on television-market ownership!

Most people already feel that the
greatest percentage of our country is in
the greedy hands of the few!

Keep aigoin'!

Sincerely,

Mrs. Gerrie Draus #223

6165 South Ammons Way

Littleton, Colorado 80123
